An Asset Builder Conference

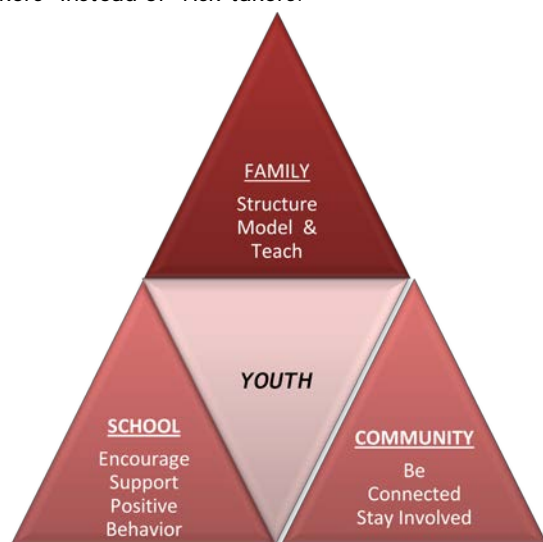

Developmental Assets? These are crucial building blocks necessary to develop youth into thriving, successful adults.

Why? Developmental assets can only be obtained in childhood. Leaders in Morgan Hill are ready to provide opportunities for the entire community to promote these assets.

How? By offering this FREE conference for the adult role models in our community, we can begin to fuse together all of our available resources in order to build an asset-rich community for us all.

What? Become an informed adult and join us from 8am to 2pm on Saturday, March 16th. (Breakfast, lunch, and all workshops are free of charge.)

So...that Morgan Hill can set the standard for youth asset-building and promote a community full of 'success-makers' instead of 'risk-takers.'
